

RASPBERRY ISLAND LIGHTHOUSE REHABILITATION

WHAT'S HAPPENING NOW?

Raspberry light, "the showplace of the Apostles," is being rehabilitated this 2006 season. Plans to open the lighthouse for tours of the 1920's Keeper's residence will occur in the summer of 2007. The following pictures show you some of the activities taking place this summer.

Impressive scaffolding surrounds the lighthouse.

More than 60% of the new roofing has now been completed.

Old tower railings and flooring before rehabilitation.

New tower railings and copper flooring installed just recently.

Note the difference!

Chimney pointing has been completed and new caps are installed. Note that the tower windows are removed and boarded up for repair.

Interior plastering has begun.

Siding repair is continuing.
